# 2021 REGIONAL GEM HONOREE **MICHAEL D. MCCARTY**

## ***You're invited!***

Join your fellow SAC members for a Zoom meeting to learn about current SAC programs and future plans.

Then, stay tuned for an hour-long free storytelling concert by the irrepressible **Michael McCarty**. You have only to hear his infectious laugh to know Michael is in the house!

Michael's folktales and personal stories testify to the unity within the diversity of the human spirit. His work with incarcerated youth throughout California inspired SAC to award him our highest honor.
