The Storytelling Association of California presents

2023 Regional Gem Honoree

ANN BUXIE

Ann Buxie

You're invited! Join your fellow SAC members for a Zoom meeting to learn about current SAC programs and future plans.

Then, help us celebrate our 2023 Regional Gem Award winner with a livestreamed storytelling concert by poet, storyteller and host of the long-running quarterly "Tales by the Sea" showcase, **Ann Buxie**.

Ann's lyrical tales are illumined by her generous spirit and fellowship with the universe, as well as her gentle wit and exquisite wordcraft.

SAC Board Chair Sara Armstrong will then join Ann for a Q&A about what we all love—storytelling.
